

**Canal Street Veterinary Hospital
(504) 200-2784
Boarding Form**

Client Name _____ Pet name _____

Contact Number _____ Emergency Contact _____

Arrival Date _____ Pick-up date _____ Pick-up Time _____

Is anyone other than you authorized to pick your pet up from Boarding? If yes, please list below:

Name _____ Contact Number _____

Vaccine Requirements

All pets must be up to date on annual exam, heartworm and intestinal parasite testing, and vaccinations. If pets are found to be overdue or if vaccines cannot be verified by phone or fax, they will be given upon admittance for boarding.

Last exam/testing/ vaccination date _____

Name of clinic & phone # _____

Feeding Instructions:

All boarding pets are fed Hill's Science Diet. We are happy to feed your pet's own food; please write your pet's name and your last name on the container.

Normal Diet fed _____ Amount fed _____ Times fed/day _____

Preventative Care:

All pets MUST be up to date on heartworm and flea prevention. Heartworm prevention also protects against intestinal parasites. If you cannot show that your pet is current on heartworm prevention, a fecal examination will be performed at your cost. **Due to the severity of fleas in our area, all boarders will be administered a Capstar tablet upon arrival. This is part of our boarding protocol and will incur an additional fee that will be charged to your account.**

Type of Heartworm preventative given _____ Date last given _____

Type of Flea preventative given _____ Date last given _____

Medications:

Please list any medications to be administered while boarding. Please note that there is a \$3.00 charge per time medications are administered.

Name of Medication and Strength

When given

continued on back

If your pet is boarding over a holiday with increased ambient noise (Mardi Gras, New Year's, etc), we may administer a light oral sedative during periods of increased noise to minimize your pet's stress. If you prefer that your pet does not receive this medication, you will have the option to come pick them up immediately if they are found to be excessively anxious. This medication will add a nominal fee that will be charged to your account.

Please circle ***My pet can / cannot receive orally prescribed oral sedation to relieve anxiety as deemed necessary by the doctors of CSVH

Additional Services:

Please circle any additional services you would like performed, at an additional cost to you:

Bath

Nail Clip

Ear Cleaning

Please note that Grooming Services must be scheduled in advance

Does your pet need to be examined by a veterinarian? Yes No

If yes, please fill out the following:

Reason for Visit _____ Duration _____

List any other problems noted: _____

Please sign below that you have read and understood the following Boarding Guidelines.

- Should a pet become ill during their stay, we will make every reasonable effort to contact the owner and advise them of the situation. Until that time, CSVH will be authorized to give the necessary care or treatment for the pet at the owner's expense.
- All pets must be free of internal and external parasites. A capstar will be administered to all Boarding pets to prevent flea infestation. Any pets found to have ticks, intestinal parasites or fungal infections will be treated immediately at the owner's expense.
- Any pet who soils themselves frequently, requiring multiple baths while boarding will be charged accordingly at owner's expense.
- All pets must be up to date on required vaccines. If pets are found to be overdue of if vaccines cannot be verified by phone or fax, they will be given upon admittance for boarding.
- There will be a three day minimum during all holidays. Pick up on holidays is not allowed.
- Boarding pets can be picked up during our normal business hours.
Monday-Friday Saturday
7:30 am- 5:30 pm 8 am- 2pm
- Prior arrangements may be made for pets to be dropped off or picked up on Saturday at 6pm, or on Sunday at 7am or 6pm. This will incur an additional \$22.67 charge for drop off and a \$17.52 charge for pick up.
